Necessary concessions should be made to the teachers

To know the actions of the teachers

Do teachers conduct their classes in a way that students can understand?

Person 5

Person 6

Person 7

Person 8

You have to read and write to understand the lessons

Students should do

Sports teacher should know all types of sports

Teacher should do

Check if all the students have come

Class teacher should do

Do teachers conduct their classes in a way that students can understand?

Principal should do

TIP

Add customizable tags to sticky notes to make it easier to find, browse, organize, and categorize important ideas as themes within your mural.

You have to read and write to understand the lessons

Check if all the students have come

Do teachers conduct their classes in a way that students can understand?

Sports teacher should know all types of sports

Importance

If each of these tasks could get done without any difficulty or cost, which would have the most positive impact?

TIP

Participants can use their cursors to point at where sticky notes should go on the grid. The facilitator can confirm the spot by using the laser pointer holding the **H key** on the keyboard.

Feasibility

Regardless of their importance, which tasks are more feasible than others? (Cost, time, effort, complexity, etc.)
